

Problem set 3 : Question 1 : Snapshots

1. User name not entered:

Welcome to Online Market

Enter Username:

Enter keyword:

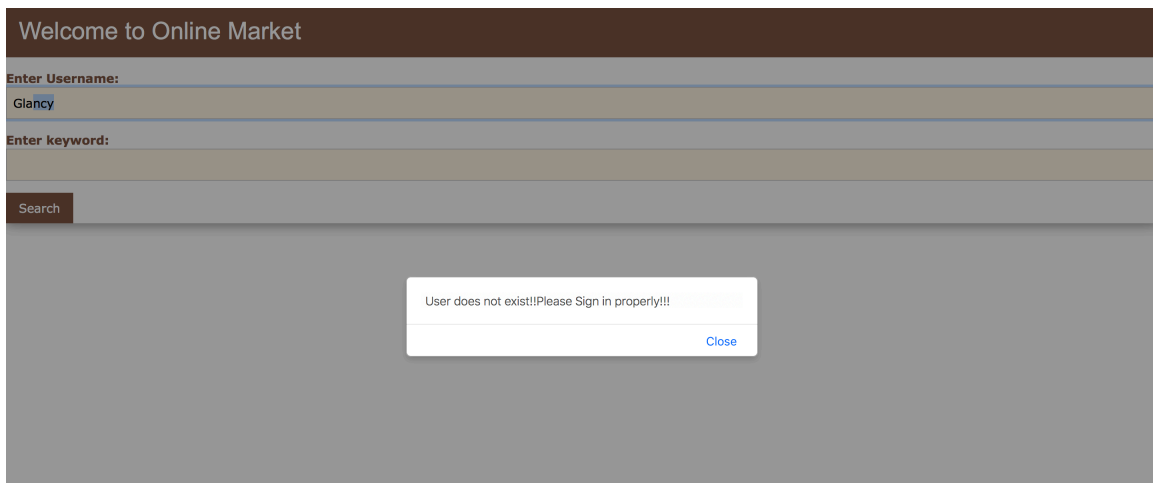

Search

User does not exist!!Please Sign in properly!!!

Close

This screenshot shows a web application's login interface. At the top, a dark brown header contains the text 'Welcome to Online Market'. Below this, there are two input fields: 'Enter Username:' and 'Enter keyword:'. The 'Enter Username:' field is currently empty. To the left of the 'Enter keyword:' field is a dark brown button labeled 'Search'. In the center of the page, a white error message box is displayed, stating 'User does not exist!!Please Sign in properly!!!' with a 'Close' link in blue text at the bottom right.

2. User name not in Database

Welcome to Online Market

Enter Username:

Glancy

Enter keyword:

Search

User does not exist!!Please Sign in properly!!!

Close

This screenshot shows the same login interface as the first one, but with the username 'Glancy' entered in the 'Enter Username:' field. The 'Search' button is still present. The same white error message box is displayed in the center, indicating that the user 'Glancy' does not exist in the database. The 'Close' link is also present at the bottom right of the error box.

3. Username 'Boy Xu' logging in.

Welcome to Online Market

Enter Username:
Boy Xu

Enter keyword:
De

Search

4. Products when 'De' Keyword is given
